Minutes

- 1) Potential Changes to SOCI 20133 and CRMJ 2233 – This item was withdrawn prior to the meeting.
- 2) Review of Survey of Accounting – Cara Beth presented the need for the change and reviewed the specific changes. This is currently for the Stillwater campus only. After a brief discussion focused on how this might change the current degree requirements, which is not the intent of the incorporation of the course, a motion was made and seconded (Tricia Moore, moved and it was seconded by Laura Marshall), the Committee voted to accept and send to faculty for a vote. Email vote passed.
- 3) ENGR 1111 Introduction to Engineering – This course was presented to the Committee for informational purposes as the course is currently part of the course catalog. The course will be offered in the Spring 2019 semester.
- 4) PRDV xxxx Introduction to Research – This course was presented to the Committee. After a brief discussion about who would be eligible to take the course and placement of in the course catalog. A motion was made by Don Stinson and seconded by Tricia Moore to approve the course and send it out for a faculty vote. The motion passed. Email vote passed.
- 5) Pre Requisite Change MATH – This was an informational item to reflect what was previously handled during the Spring Curriculum Committee meetings.
- 6) No other business came before the committee.

See attached emails and course materials.
